

# CURBSIDE PICKUP

FOLLOW THESE SPECIFIC GUIDELINES WHEN HAULING HURRICANE-RELATED VEGETATION DEBRIS FOR REMOVAL.

**Propping Up**  
Do not set debris up against trees or poles. Doing so makes it difficult for crews to collect the debris.

**Stay Clear**  
Do not set debris on or near fire hydrants.

**Vegetation Debris must be placed in a five foot area from the street edge back to the house**

- Tree branches
- Leaves
- Logs
